**Subject:** tank cleaning  
**Date:** 08/01/2011 11:11 AM

---

Gary,

I just spoke to our subcontractor and we will have Tanks 10 and 2 cleaned out based on the amended work plan in 15 days. In the meantime we will have submitted the application for discharge and hope to be ready to begin discharging. Then we will focus on Tanks 27 and 30.
